Dear Marianne,

Thank you so much for coming to our Fourth Grade Junior Girl Scout Meeting to help the girls learn proper manners and etiquette! The girls were excited and engaged throughout the entire one and one-half hour program! Learning proper hand shakes, eye contact, phone etiquette and Thank you note skills are all important gifts that will serve them throughout their lives.

Thanks to Mannersmith, our kids are now excited to use their manners – and it is now a game “to catch” each other not using manners. Your ability to create a program which teaches them all these skills with the ability to keep them excited and enthusiastic is wonderful.

Thank you for such a fun program!

Wendy Nelson and Anne-Marie Gates
